It's So Easy

To take cold. It's so common to neglect the cold. That is one reason why there are so many people with "deep-seated," stubborn coughs, and so many more with "lung trouble."

The short, quick way to cure a cough is to use Dr. Pierce's Golden Medical Discovery. The quicker this remedy is used the quicker the cure. But even when neglect has let disease fasten on the lungs, "Golden Medical Discovery" may be relied on to cure in ninety-eight cases out of every hundred.

The only motive for substitution is to permit the dealer to make the little extra profit paid on the sale of less meritorious medicines. He gains. You lose. Therefore accept no substitute for "Golden Medical Discovery."

"I am feeling quite well," writes Miss Dorcas A. Lewis, of No. 129 1/2 St. Washington, D. C. "My cough is very much better, and I owe it all to Dr. Pierce's Golden Medical Discovery. I cannot say too much in praise of the medicine. I had been quite a sufferer for a long time, and after reading Doctor Pierce's Common Sense Medical Adviser I thought I would try his Golden Medical Discovery. I commenced taking it in May, 1899. Had not been sleeping well for a long time. Took one teaspoonful of Dr. Pierce's Golden Medical Discovery and kept nearly all night without coughing. So I continued taking it. I am in great sympathy with everybody who suffers with a cough, but did not feel better. I coughed until I commenced spitting blood, but now I feel much stronger and am entirely well. Dr. Pierce's Golden Medical Discovery is the best medicine I have ever taken. My home is in Williamsburg, Virginia."

Dr. Pierce's Pleasant Pellets are a ladies' laxative. No other medicine equals them for gentleness and thoroughness.

Like a Comet

In the sky comes the star of health to the weak and weary despondent, curing all ailments, from indigestion to the most delicate disorders.

Kodol

supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed mucous membranes of that organ are allowed to rest and heal. It cures indigestion, flatulence, palpitation of the heart, nervous dyspepsia and all stomach troubles by cleansing, purifying and strengthening the glands, membranes of the stomach and digestive organs.

LOUDOUN CAMP MEETING.

This grand old institution which dates so far back into the history of Methodism that the oldest inhabitant can't recollect will begin its eleventh annual encampment (under the new management) on the old grounds known as Benton's Wood, August 14, closing August 24. This is by far the largest gathering of intelligent people in the state. Running from two to ten thousand people the entire time is the camp meeting for the Washington District M. E. Church South. Ah, when we draw aside the curtain and look down through the mist of time and call up the faces of Collins, Duggett, Dunan, Rozzelli, Bennett and Bond and many others whose very presence was an inspiration, how our memories brighten when we remember at morning meeting the experience of many a good old brother and sister.

It was ended joyous and bright and then we look around and call for those old saints. The answer comes, gathered up into that everlasting camp just over the river under the shadows of the trees, when there will be no tear starting face, well or tearing down of tents but when the grand old morning meetings will have no end and the sweet songs and hallelujah will be waited off through end less eternities.

But while that panorama has passed this old gathering has lost none of its real Methodism, but has put on new features. The programme (which is under the direction of Dr. J. W. Duffey, P. E.) for this year will be large and varied. Friday, the 14th, will be moving day; prayer service that night. Saturday preaching and prayer service. Sunday, the 16th, the pulpit will be filled by Dr. J. Watt Shoff, of the Alabama conference, who is considered the pulpit orator of the South. He spent many of his childhood days with us, and many of his old playmates will be glad to welcome him back again. Tuesday will be the old soldiers' day. Preaching by our old comrade, Rev. S. G. Ferguson. This service is one of our best. In the afternoon the Rev. Geo. R. Stuart will arrive and preach at 7:30 p. m. This evangelist is considered the best of the South and has done some excellent work in the State during this and last year. He will preach twice a day during the remaining day, 11 a. m., and 7:30 p. m., except Sunday, the 22nd, when he will preach three times. Wednesday will be given to the ladies of the W. C. T. U. This issue has put on a new feature since the passage of the Mann liquor bill in this State. And this organization has done much to rid our land of this accursed stuff. George R. Stewart, who is at home on the subject, will deliver his famous lecture at 11 a. m. that day. This is another good feature of the meeting. Thursday will be the communion service. George R. Stewart will preach at 11 a. m., and 7:30 p. m. The balance of the time will be occupied by George R. Stewart in his evangelistic work, and any person will be amply repaid who hears him on some of his "stump grubbers," as he terms them. Our other good brothers who have done so much to build up this institution of this and adjoining districts will be with us. Rev. E. V. Register, Stump, Taylor, Harris and many others who are always gladly welcomed by the association.

The music will be led by a skillful leader with an organ, piano, two cornets and hundreds of voices will be another good feature of the meeting. This camp is centrally located between two of the best countries of the State, Loudoun and Fauquier, on a high elevation commanding one of the prettiest views of the Blue Ridge six miles away and one sun set view over that lovely mountain would repay any one without the other good features of the occasion. It is indeed a grand field for thought, feeling and study and when one can lay aside his many cares and rest. Board on the grounds at good places for five dollars for ten days lodging two dollars and a half. Pure ice water from two bored wells at all times free. The tents which are about fifty in all are two stories made of new pine boards with two canvases on each. The large tabernacle or tent seats about two thousand and comfortable bench pews nicely arranged on clean dry straw, lighted at night with gasoline lamps outside with the old time fire stand with pine knots which reminds one so much of camp meeting. Bishop Morrison termed this one of the best and largest attended. The association has spared no means to make this one of the best meetings and to add to the comfort of all in attendance during the meeting. The same old fee of ten cents on Sundays and five cents on other days will be collected at the gates. The annual meeting of the association will be on the ground during the meeting. [Warrenton Index.]

Cholera Infantum.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by Richard Gibson.

Mrs. Fred Unrath,

No. 228 Territorial Street, Benton Harbor, Mich.

"I am pleased to give my experience with Wine of Cardui as I am very grateful for its help. After my first baby was born I could not seem to regain my strength, although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband came home one evening with some Wine of Cardui and insisted that I take it for a week and see what it would do for me. As he seemed to have so much faith in it I did take the medicine and was very grateful to find my strength slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

hers, as are their ambitions, triumphs and defeats. Healthy women do not suffer miscarriage nor does a woman who is healthy suffer tortures at childbirth. It is the woman who is ailing—who has female weakness—who fears the ordeal of becoming a mother. Wine of Cardui builds up the womanly in a woman. It stops all unnatural drains and irregularities which are responsible for barrenness and miscarriage. It makes a woman strong and healthy and able to pass through pregnancy and childbirth with little suffering. After the ordeal is passed the Wine prepares a woman for a speedy recovery to health and activity.

Wine of Cardui, in re-inforcing the organs of generation, has made mothers of women who had given up hope of ever becoming mothers. Wine of Cardui will cure almost any case of barrenness except cases of organic trouble. How can you refuse to take such a remedy that promises such relief from suffering? Wine of Cardui simply makes you a strong woman, and strong, healthy women do not suffer. They look forward to motherhood with joy.

A million suffering women have found relief in Wine of Cardui.

THE GERM OF LAZINESS.—The government zoologists are claiming the discovery of the germ of laziness, and Dr. Charles W. Stiles, who has charge of the division of zoology in the Department of Agriculture, is conducting secret experiments in North Carolina and elsewhere to discover methods of putting the microbe out of business. Dr. Stiles says the germ descended from the Egyptians of 3,500 years ago, who had the leading habit in the most virtuous of nations. Notwithstanding its age, the government scientists under Dr. Stiles think they have corralled the lazy microbe and know how to put him out of business. The germ of laziness is everywhere known, and that is even in the Sunny South the germ of laziness is not confined exclusively to the negroes. As a matter of fact it is said that the whites are much more susceptible to its ravages. Children in the rural districts are attacked at an early age, and all through life they remain indolent and shiftless. Cities do not favor the development of the "bookworm," as the parasite is otherwise known, because cities, crowded with traffic and trolleys, have no time to believe in a disease called "laziness."

FOR OVER SIXTY YEARS

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

Hives are a terrible torment to the little folks, and to some older ones. Easily cured. Doan's Ointment never fails. Instant relief. Permanent cure. At any drugstore, 50 cents.

The Foundation of Health.

Nourishment is the foundation of health—life—strength. Kodol Dyspepsia Cure is one of the great medicines that enables the stomach and digestive organs to digest, assimilate and transform all foods into the kind of blood that nourishes the nerves and feeds the tissues. Kodol lays the foundation for health. Nature disposes of the rest. Indigestion, Dyspepsia, and all disorders of the stomach and digestive organs are cured by the use of Kodol. Sold by E. S. Leadbeater & Sons.
